Dear Faithful Supporters,

October, 2021

The time has come for Perfect Joy Ministries Inc. to close. This was not an easy decision to make, but after much thought and prayer over the past year, I decided that God is leading in new directions. Over the past 10 years, PJM has reached so many families all over the world. We have sent over 4,000 bundles with the plan of salvation in each one. Hundreds of books and other gifts were also sent. I have made direct contact with thousands of wonderful people and continue to communicate with many even now.

Because I still have a lot of resources on hand, I will continue to make bundles and distribute them for local friends and acquaintances. Feel free to contact me if you know of anyone who could use a Joy Bundle. I plan to donate some items, such as blankets, hats, and stuffed animals to local hospitals and to Life Choices Center. I will continue to be available to set up displays for churches and groups and share information pertaining to life before birth.

I do plan to continue to distribute books on various topics as needed. I will continue to work on growing and maintaining an extensive resource library to help others. Please let me know if you see a need.

I cannot thank you enough for the years of prayers and financial support. God has multiplied your gifts, and I cannot wait to see what was accomplished for His glory, one day in heaven. I feel honored that God chose to use me and PJM to further His kingdom. I am a perfect example of how God uses our heartaches to create joy. A huge thank you to Carolyn Andreasen for her partnership and help with the finances.

In His Service,

Holly M. Besser
