Missions Update - Walid & Rima Bitar - Part 2

Ottawa's ministry - We are back to in person services with a limited number. We still have Sunday school, youth programs, women's ministry, and Bible study on Zoom. What a blessing to see many people from the Middle East listening to the gospel message. In September we had our family and youth conference with a limited number. God is always good. It shocked me to hear in the news that during the pandemic the Mosques hosted vaccination clinics and tried to reach people. It is always a great time to approach the people with the Gospel. We continue offering the NT in Arabic and English. We even deliver it. What is amazing is that we post it on Market Place and many ask for a Bible. One Muslim contacted us and we had a good time talking about the Gospel.

God opens doors every day. Our water heater was broken. The guy who came to deliver the new one was from Turkey. Volkan was open to hear the message and he accepted the NT in English and the Jesus film. Last week we had a funeral service. After the service we offered a NT in English and Arabic and the Daily Bread in Arabic to those who attended. For most it was the first time in an evangelical church. B Toni, who passed away, accepted the Lord during the pandemic and prayed with me on the phone. He was committed to listening to the messages every Friday and Saturday. Our investment is eternal. The week before we had a remembrance service and over 35 people attended. We shared the Gospel and gave out the NT.

Pray for us to start Sunday school and English meetings soon. We pray to hold a pastors' conference in the Middle East. Pray for Lebanon. Three days ago six were killed in clashes as tensions rise over the blast probe soar. The economy is bad and the banking system has collapsed along with political corruption. Hezbollah is trying to control the country. Pray for our family and Rima's sister Colette who is a nurse working in a difficult situation. We thank you for your prayers and continued support.
